

14-16 *Choices*

Welcome to YOUR 14 TO 16 CHOICES

Studying a 14 to 16 course at West Herts College is a great opportunity to get a better understanding of an area of work, and develop your skills so you can succeed in a job.

During your course you will spend time at College as well as school, at College you'll be working towards your career-focused qualification while you continue your studies at school. You'll be learning in our professional settings like our salons, workshops and kitchens - some of these courses will have a small additional cost for required equipment or clothing, to find out more contact us directly.

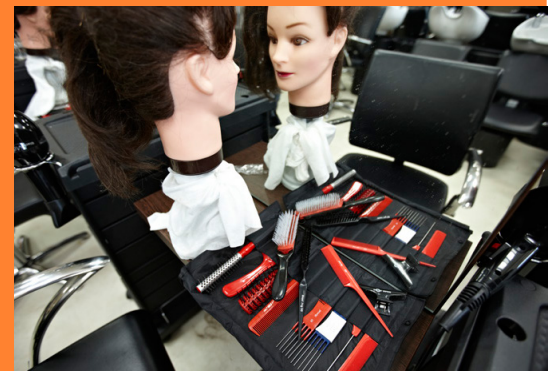

Food Academy L1

Do you have a desire to be a top chef? If so, this course is a great place to start! You will get to work in our industry standard kitchens at our **Watford campus** and develop cheffing skills in steaming, baking, roasting, grilling, frying, poaching and you'll work to attaining a Level 2 Food Safety and Health and Safety award. Once completed, you'll be ready for a Level 2 diploma in Professional cookery!

Hairdressing L1

If you aspire to be a great hairdresser or barber then this exciting introductory course will give you the skills to get you started! You'll be working in our professional salons at **Watford campus** and learning about shampooing, scalp conditions, colouring, blow drying, dressing hair and much more. After completing the course you can use your skills to progress to Level 2 courses, at College!

Motor Vehicle **L1**

This is a course tailor made for students who love cars! It's also a sector that's constantly growing as more people buy and drive more eco-friendly cars. You will get to work in a genuine workshop at our **Kings Langley campus** with all the kit needed to succeed in this industry. You'll learn about fault finding, problem solving and great customer service skills. On completion of your course, you can progress on to a full-time motor vehicle qualification here at College!

Building Services **L1**

If you're thinking of joining this thriving industry, this course will help you build a solid foundation towards a long and exciting career. Our **Dacorum campus** workshops have all the tools you need to start learning, you will focus on a range of skills to prepare you for the industry. After completing this course you will be ready to step up to a wide range of Building Services courses or apprenticeships here at West Herts College!

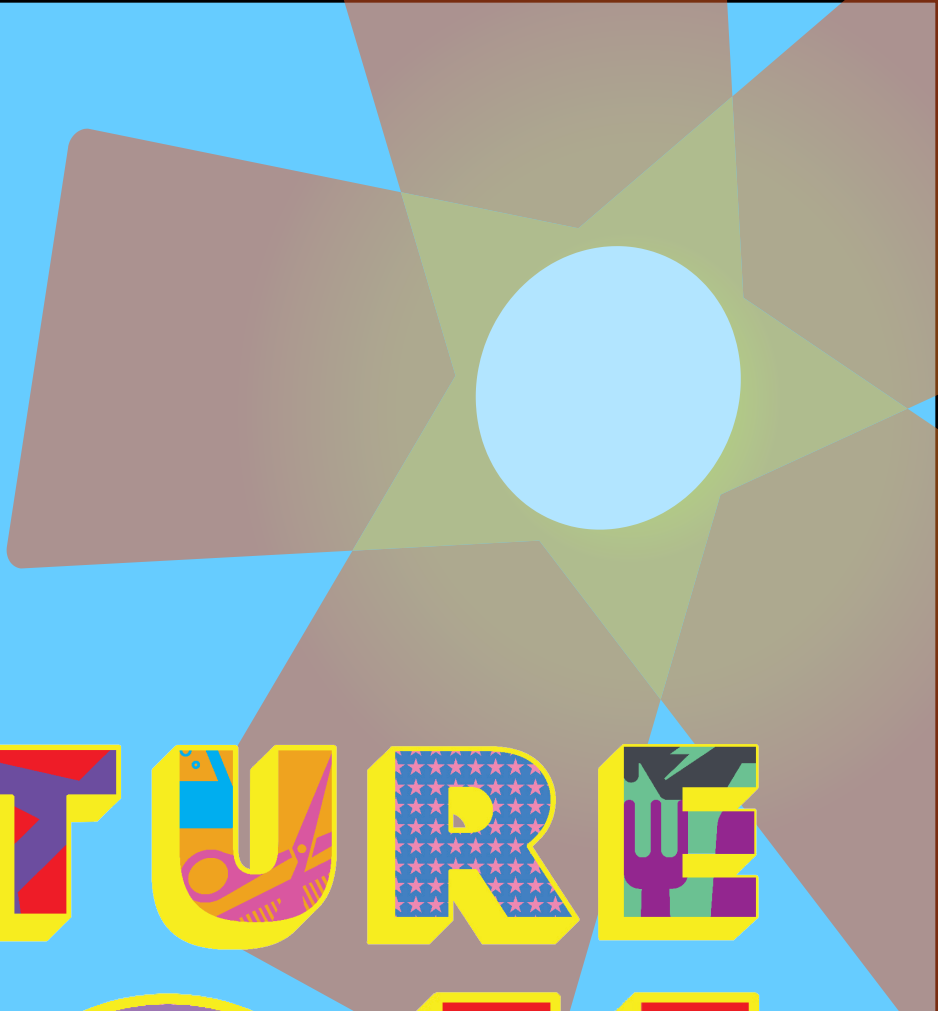

Interested?

Everything you need to apply can be found on our website

www.westherts.ac.uk/courses/14-to-16-courses-at-college/

Once you have filled out an application form, you need to return it to your school's liason with the College, this is usually your Head of Year or Careers adviser. Once we receive your application and check that everything is all set, we will be in touch with your school about inviting you to come and have a taster session! To find out more about additional costs and the structure of a students day, visit our website or contact us.
