

**AUTUMN 2 2024****TENZING ROAD**

Dear All,

As we come to the end of the year we can look back and reflect on what we have achieved. This half-term we welcomed a new hub group who are making steady progress. We have supported a number of learners into new schools and welcomed learners on short term provision. We have had lots of enrichment experiences and taken part in positive noticing day.

Thank you to the learners, parents and carers who attended our Christmas Crafts Morning. It was wonderful to see everyone enjoying it and creating some pieces to display at home. Many thanks also to the DESC staff for organising and running the event.

Best wishes and have a wonderful Christmas break,  
KS3 Team

## GOODBYE SNOWDON

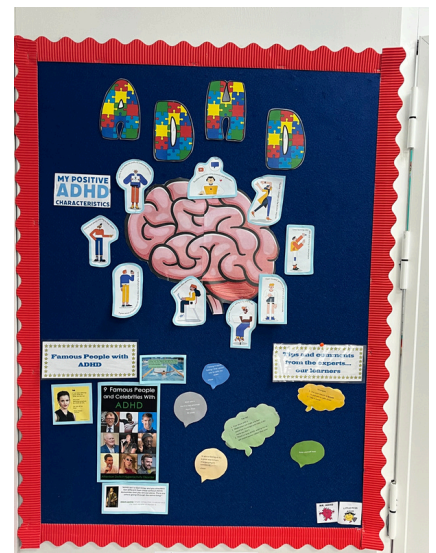

Our 12 Week HUB are now all reintegrated back to their original schools. We are so proud of how reflective and ready to learn you all are. Keeden, Chase, Taylor and Kandi you have all been fantastic to work with and have taught the team so much about ASD and ADHD too. The display you created has also helped to support additional learners and we will keep adding to this.

We have enjoyed so many enrichment activities, taking part in the INTO Film festival and visiting the cinema, Whipsnade Zoo and visiting our favourite Whippendell Woods to magnet fish- catching our best haul of a bolt and golf club!

Keep up the good work at school and we will randomly drop in to visit you all.

## SHORT TERM LEARNERS

We have had many learners join our Centre for a short period of time. They have all been fabulous. They have engaged and allowed us to help and support them with their next steps. Many are ready for their next steps are already starting new schools. We wish them all good luck and remind them to show others how amazing you are.

## AUTUMN 2 2024

## TENZING ROAD

**AUTUMN 2 2024****TENZING ROAD****DUAL HUB 2**

After 6 weeks of outstanding attendance and engagement on the Dual HUB program, we sadly say goodbye to our second group of the year. Lexi, Billy and Zion, we will all miss you at DESC and we will see you soon when we come to visit you at school. Keep up the good work and remember all that you have learnt at DESC.

**CHRISTMAS ACTIVITIES AT DESC**

KS3 had some amazing Christmas themed days this term. The Christmas crafts day was fantastic, the learners and their families took part in creating some excellent Christmas decorations. Learners enjoyed sharing the experience with their families and showcased their teaching skills in helping others in creating their crafts.

We also had a delicious Christmas Dinner together in the Jungle Room, a big thanks to Viv and her team at Barncroft for the amazing food!

Thank you to the families for your support. From all the team at TENZING we hope you have a fantastic Christmas holiday and a Happy New Year.
