Dear Parent/Carer,

DESC Relationships and Sex Education (RSE) Consultation

At DESC, we want all learners to develop the knowledge, confidence and skills they need to stay safe, build healthy relationships and make positive choices throughout their lives.

The Department for Education has updated the statutory guidance for Relationships, Sex and Health Education (RSHE) from September 2026. We have reviewed and updated our curriculum and policy to ensure that our provision reflects the latest guidance and continues to meet the needs of our learners.

We are now inviting families to take part in our consultation process. This is your opportunity to explore the RSE provision at DESC, understand how it will be delivered, view teaching materials and resources, and help shape our future provision.

Please find the link to view our draft policy here [Dacorum Education Support Centre - Personal Development & RSHE](#). Once you have had the opportunity to read through this, please can we ask you to provide your feedback using our consultation form: [Consultation of new Relationships and Sex Education Policy for teaching September 2026 – Fill out form](#)

Thank you for continuing to work with us to support the wellbeing, safety and future success of all learners.

Yours sincerely,

Naomi Walker
